Welcome to the newest and most innovative optical shop in the Middle – Middle Georgia area. We are here to service your vision needs with a caring and professional staff. Our Optometrists have the latest equipment to enable them to give you the best vision possible. Our goal is to make sure that you see great as well as look great with your eyewear.

Our trained frame stylist will work with you and the optician to ensure you get the look you wish to achieve. We carry Jungle Eyewear; Sponge Bob; I Carly; Dora; Baby Phat; Spiderman and Phat Farm as well as many moderately priced fashionable designer frames that your vision insurance will cover.

The best news yet is we have a beautifully decorated childrens' area that allows children to relax, read or play with toys while waiting for the doctor. It is bright and colorful. The children love to talk about the frame boards that are eye level and easily accessible to them.

Stop by our office or call to make an appointment.
